Concluding the program was the quartet of Sandra Silvia, Dianne Ouellette, Carolyn Millette and Carol Arenberg singing "Side by Side" with Mrs. Wilkie at the piano.

Robert Nelson, president of Grade 8 at the Lakeville School, thanked the Rochester pupils for the invitation extended them and the entertainment presented.

In charge of program arrangements were Cynthia Doane and Norene Hartley; refreshments, Anne Turcato and Joanne Wojtkonski; entertainment, Carol Arenberg and Norma Mello; and Grade 7 was in charge of decorations. Faculty supervisors were Earle P. Hanna and Miss Cecile Lundell.

sickly sunshine. Towards the latter part tis more moderate with rain. The wind is WNW. We are now wafted along by a wind that roams over the waters till it encircles the globe with no land to impede its progress. Therefore we must expect it to be a little rude at times. We this day pass the Latitude of Cape Horn and get to the southward of it, 400 miles west, and still steering off E $\frac{1}{2}$ S making a 5 or 6 point course.

Nov. 20th. Sunday begins with rain and wind WNW. It soon veers back to WSW and blows strong with squalls at times. This day a faint smile is again seen on the face of the Heavens accompanied by a little sickly sunshine.

Nov. 30th, Monday. This day the wind begins strong from West, then it veers back and forth from SW to W. The King of the Tempest shakes his dark pinions over us today. We have squalls of hail, rain and snow with sudden and severe gusts of wind with a heavy and bad sea right after us. The ship runs off before them like a frightened fawn with double reefed topsails. Course, East. We this day saw a fur seal fishing.
